Northbridge Training Handbook 2026

Section 1: Induction

All new starters complete a five-day induction programme within their first two weeks. Induction covers fire safety, data protection and safeguarding basics.

Section 2: Safeguarding
Safeguarding Level 2 training must be renewed every three years.
Designated safeguarding leads renew Level 3 training every two years.

Section 3: First aid
Each site must have at least one trained first aider per 50 staff.
First aid kits are checked monthly by the site manager.
